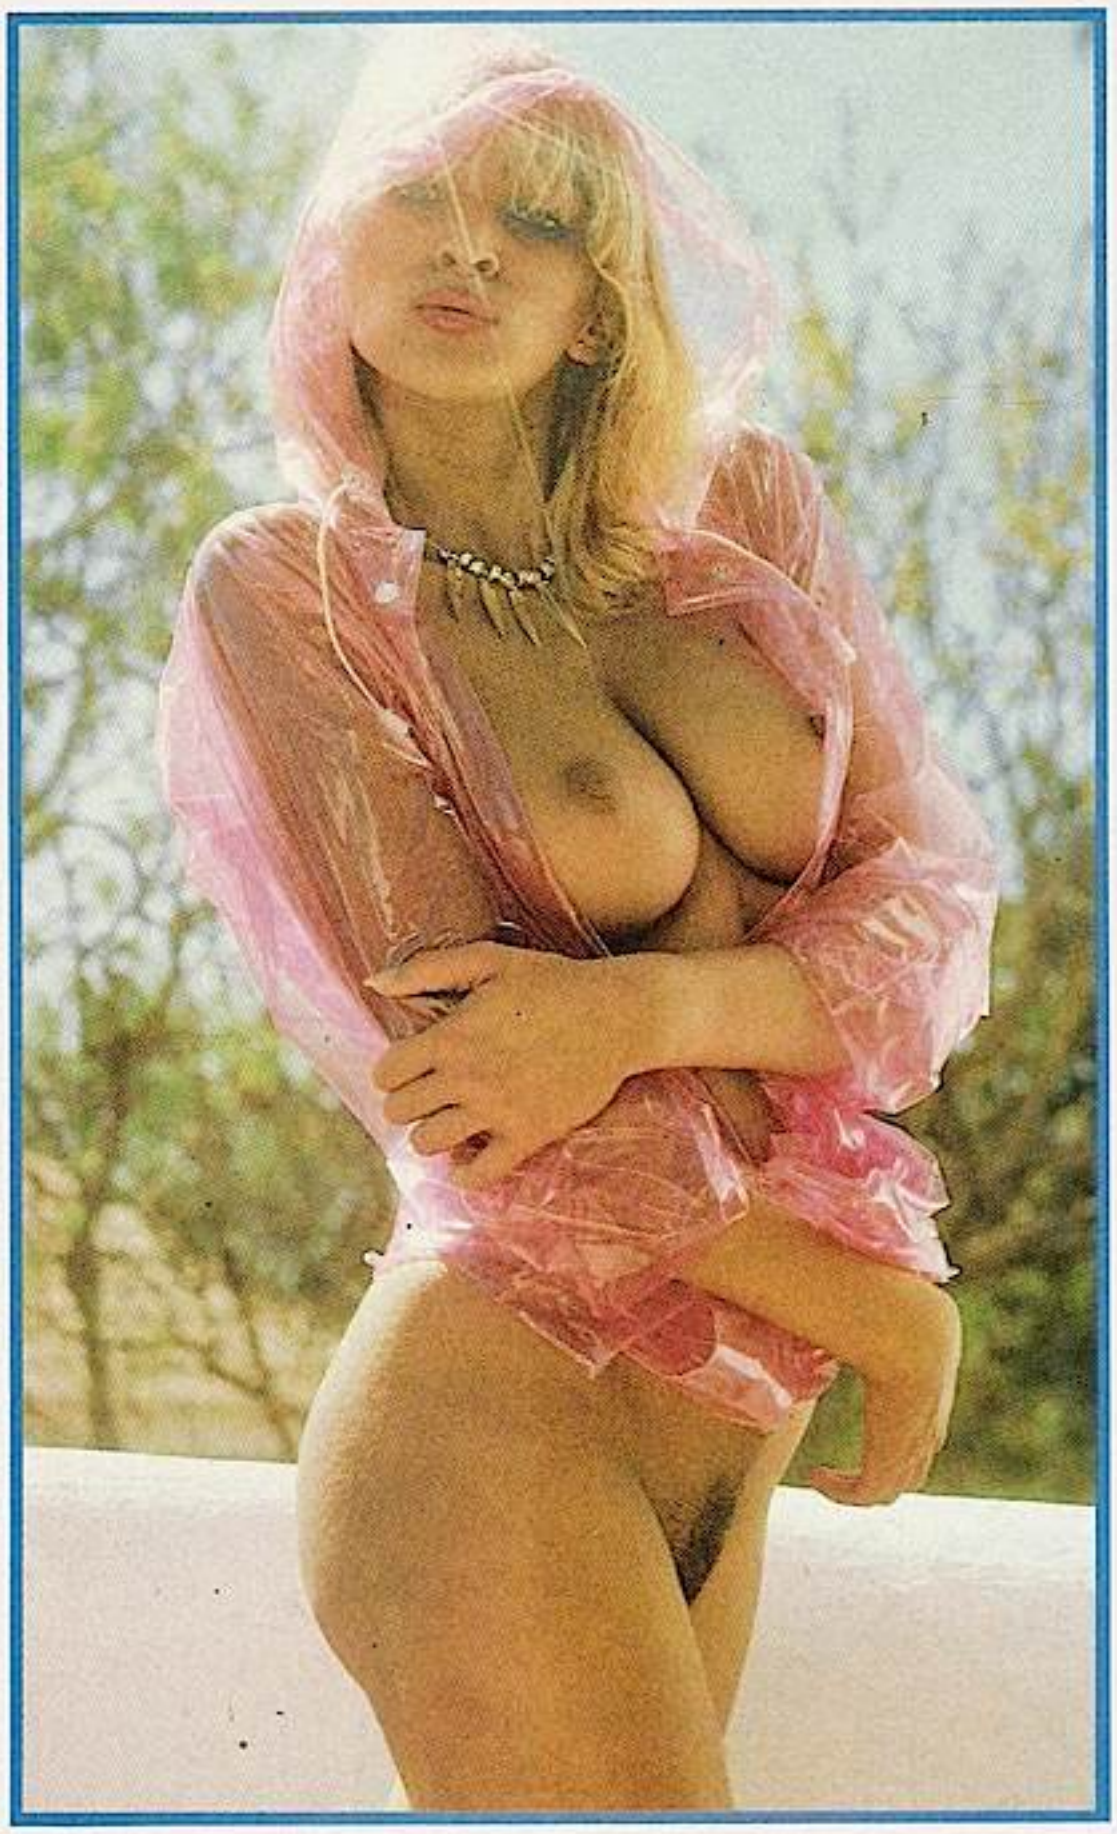
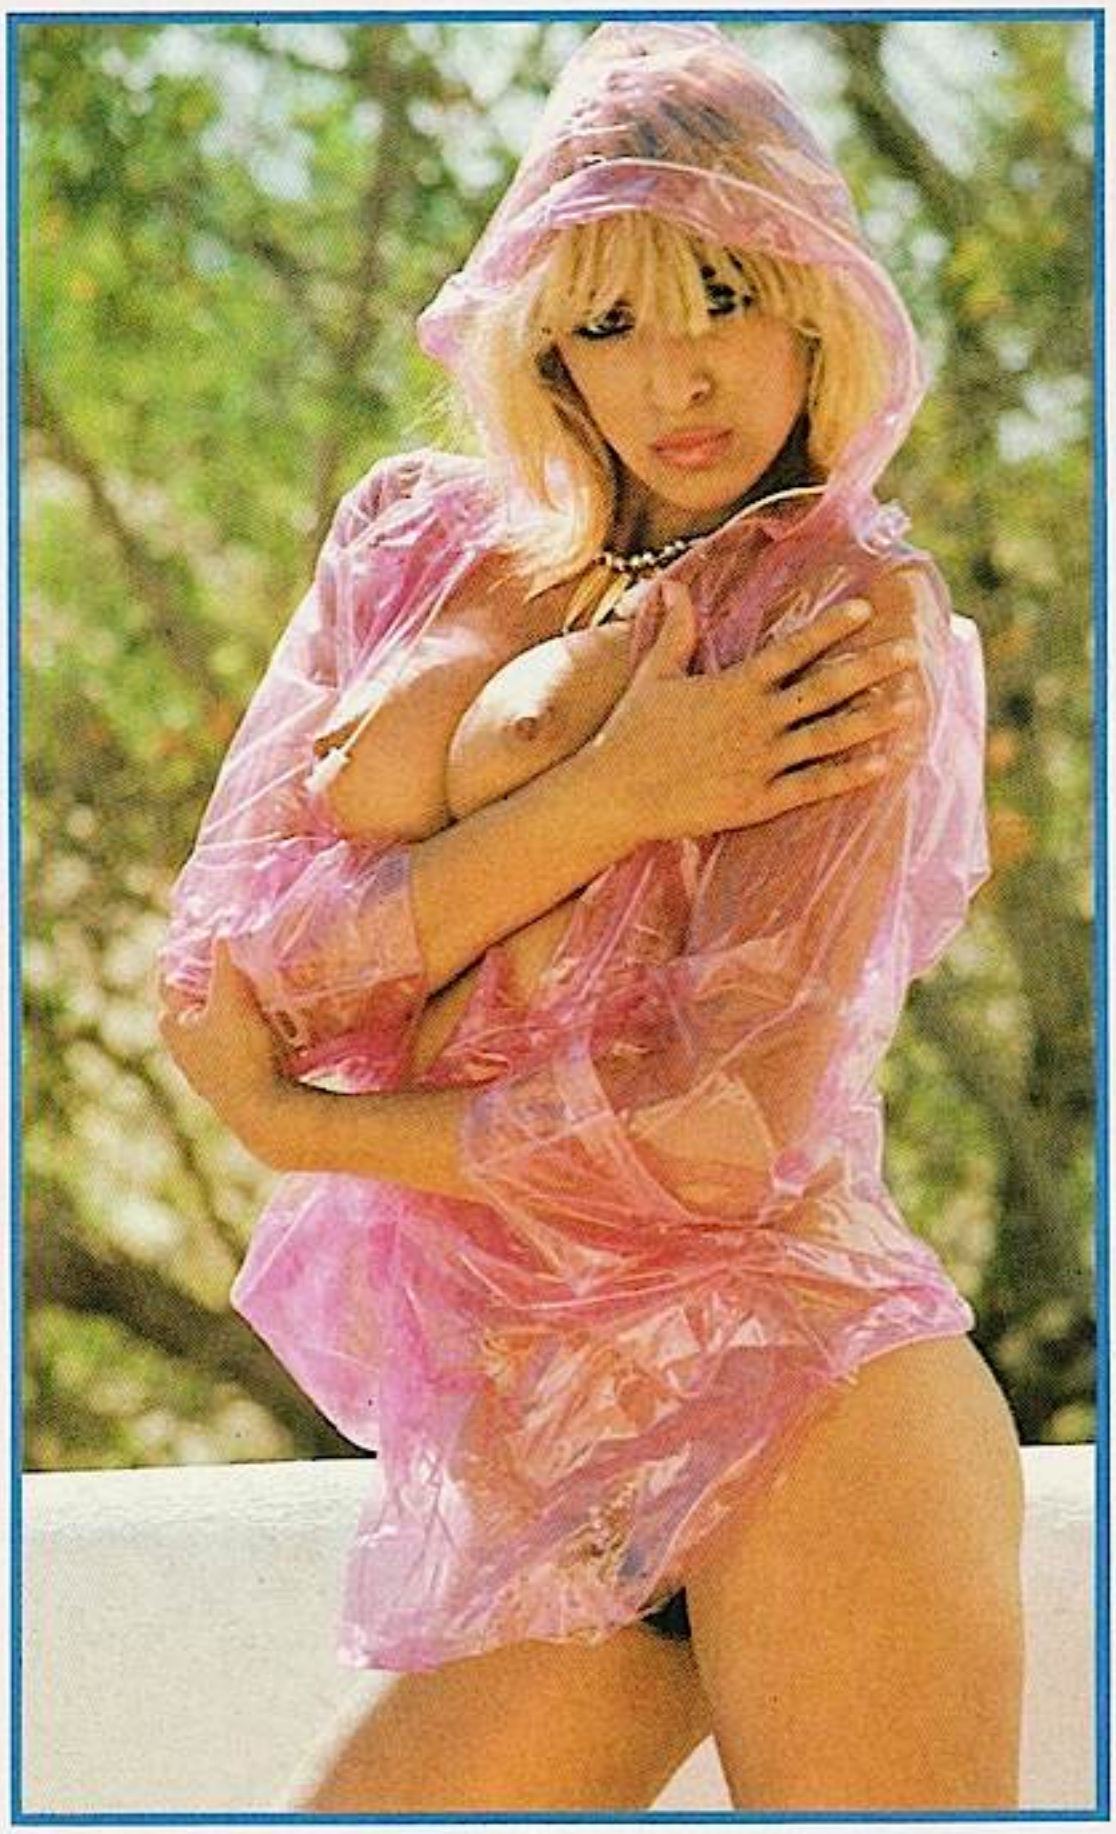
Brigitte





Brigitte took great pains to inform us that she was most definitely a sun worshipper, so any pictorial spread just had to be created many miles Southward from the inhospitable shores of the United Kingdom.

'I suppose it's the exhibitionist in me, but I just can't bear to wear layers and layers of clothing. Flimsy, lace T shirts and micro mini-skirts are my stock in trade – if I feel really daring, I sometimes go pantie-less. On those days, the expression 'refreshing breeze' takes on a whole new meaning for passing men – and it's quite a turn on for me thinking some stranger might get a quick peek of my bum.'

Don't think it would exactly 'turn off' the guys, Brigitte!♣

spring court

Tennis is one of many athletic pursuits to which our delectable model Tina attributes her magnificent form. Most of the staff here at *Club* became exhausted simply listening to the hyperactive Tina listing her favourite pastimes in her sporting life.

'My preference is for racket games – tennis, badminton, squash. But I have medals for high-jump, long-jump, swimming, trampoline . . .' Enough, enough we cried. Why does she do it?

'Well, when it comes down to it, I'm all I have. You can lose wealth, possessions, and material things overnight. But to a certain degree, you can always keep your body in good shape. Also, it enables you to fuck energetically for hours.' ♣
